

Welcome to Wyndham Lake Buena Vista

Directly across the street from Downtown Disney®, Wyndham Lake Buena Vista stands above all other Disney World® Orlando hotels. In fact, we're an Official Walt Disney World® Resort! That means our service is second to none, with a free shuttle to all things Disney® and family-friendly amenities like the Oasis Aquatic Playground, as well as Oasis Bar & Grill to keep the whole family full of food and fun in the sun.

Lake Buena Vista Resort Services

From our free continuous shuttle service to everything Disney®, to our Oasis Aquatic Playground, 2 heated pools, hot tub, sauna, fitness center, tennis, basketball, and volleyball courts, we want you to have as good a time at Wyndham Lake Buena Vista as at Disney's® Theme Parks. And if you want a few hours to yourselves at our mobile spa or Oasis Bar & Grill, let our Director of Fun entertain the kids.

Disney World® Hotel Dining

First and foremost, no trip to our Walt Disney World® Orlando hotel is complete without having a Disney® Character Breakfast in our Lakeview Restaurant, hosted 3 days a week (Tuesdays, Thursdays, and Saturdays), 7:30-10:30am. There's also Oasis Bar & Grill for casual outdoor dining, and Sundial 24/7, with a 24-hour wide array of self-service food and drinks. On that note, try Eclipse Bar on the Lobby Level, and Horizons Bar on the Mezzanine for drinks in the evening.
